

### Danis Park and Dumont Park

- All water mains, hydrants and services are in and the mains have all past testing and all the hydrants are live and ready for use.
- This years paving is complete. The remaining paving is scheduled for next spring.
- MWW has some minor clean-up that will be performed in the spring.

### Lynchville Park

- All mains, hydrants and services are in and all have past testing with the exception of the Jolly Seven. We expect the Jolly Seven testing to be completed by the end of the week.
- White still has paving and clean up to complete.
