

NEWS RELEASE

TRAFFIC ALERT

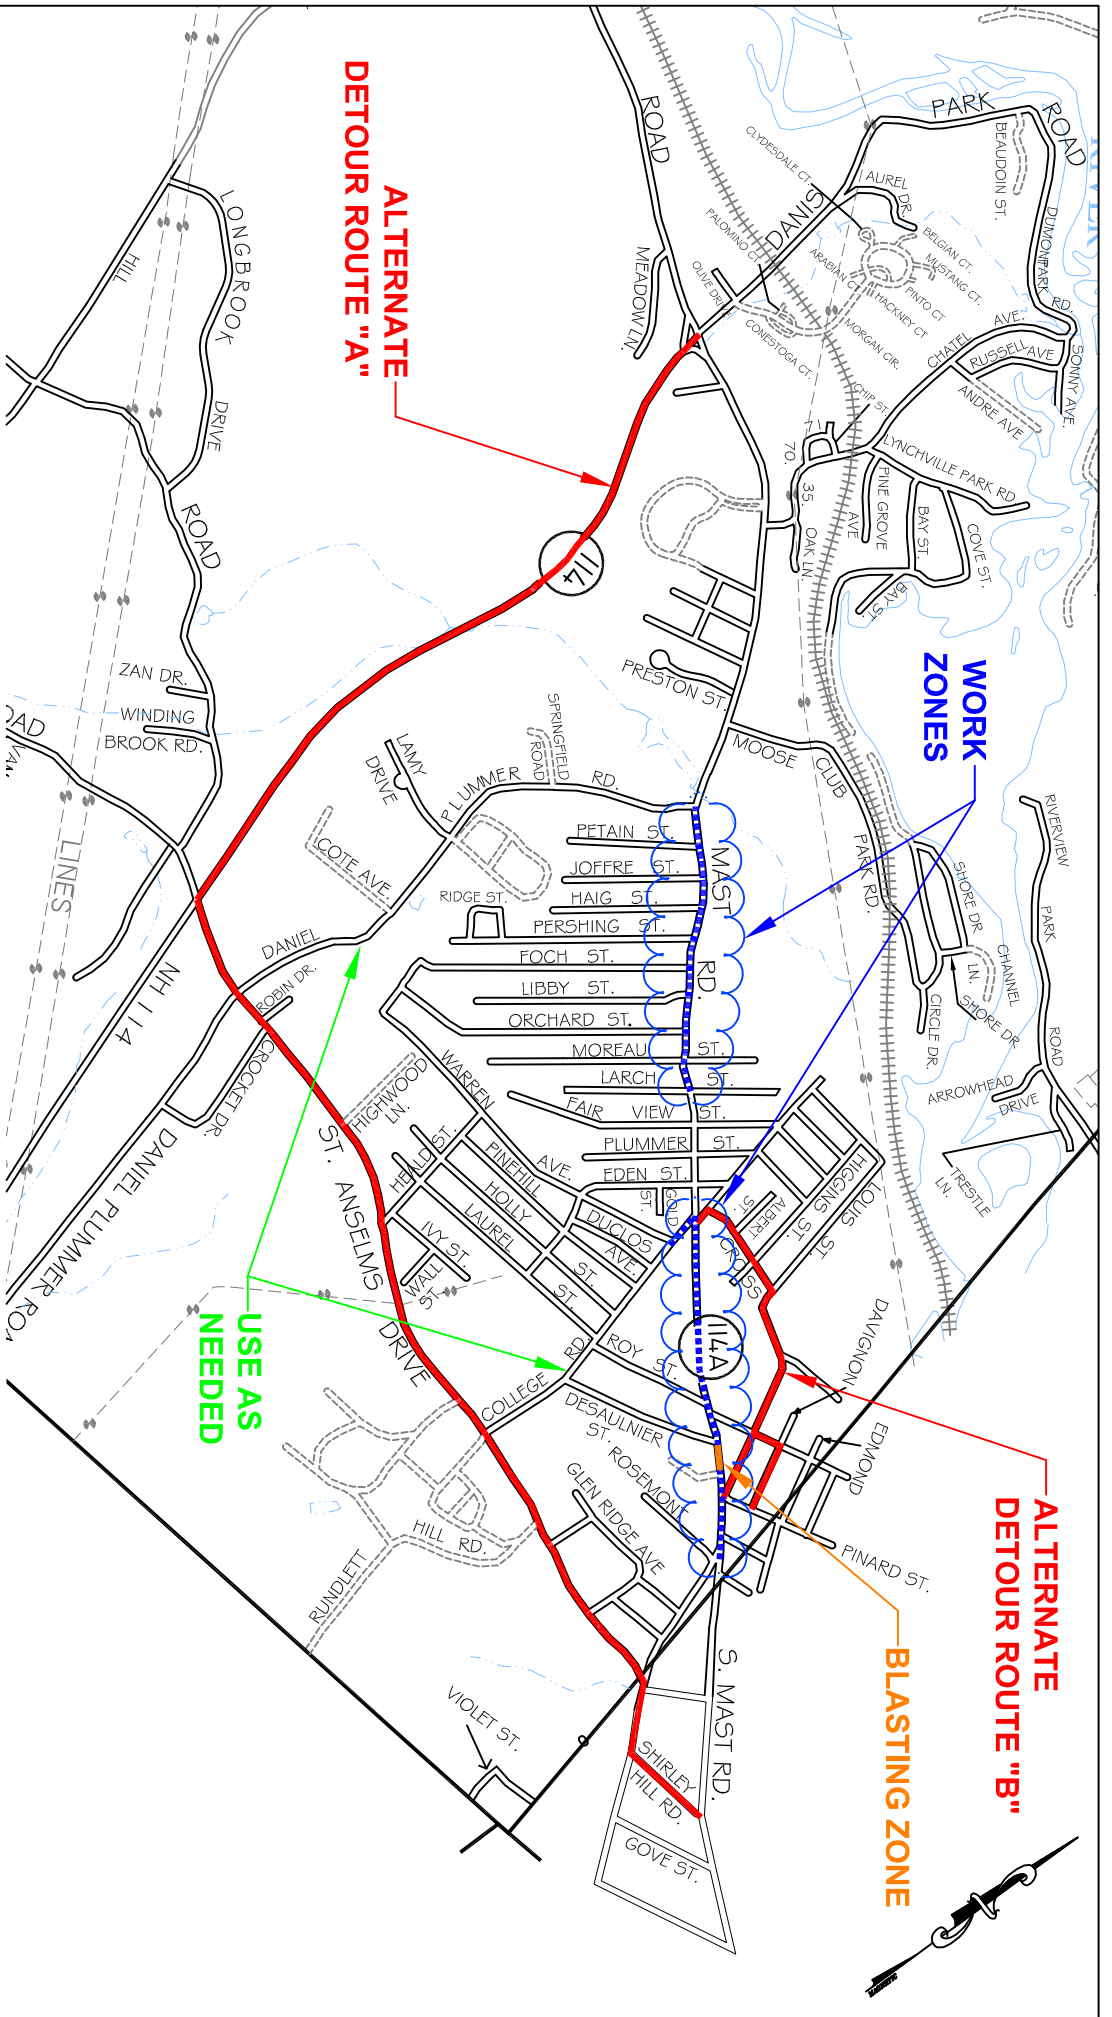

MAST ROAD SEWER PROJECT

GOFFSTOWN

July 13, 2010 - **Immediate**

GOFFSTOWN - The Goffstown Sewer Commission announces the start of blasting related to the ARRA funded “Mast Road Sewer Project”. Blasting will begin Wednesday, July 14, 2010 and is expected to be completed by Friday July 23, 2010. Mast Road will be periodically closed during blasting operations as required and then reopened to one lane of alternating traffic flow. Delays should be expected in the work zone. Daytime thru traffic should use the recommended alternate detour routes to avoid unnecessary delays which are expected Monday – Friday, approximately 7:00 am – 4:00pm.

This notice, a detour map, project updates, the construction schedule and plans will be posted on the Town’s Web site www.goffstown.com. Please contact; Bob Marchesseault, who is the full-time construction inspector with Hoyle, Tanner & Associates, at (978) 987-6670 with any questions. Thank you for your patience during this very busy construction season.

RECOMMENDED DETOUR PLAN

- Mast Road Sewer Construction will start June 1, 2010 and is expected to last until November.
- The road will be open to all residential and business traffic throughout the day and to thru traffic each night.
- Daytime thru traffic should use the above detour routes to avoid unnecessary delays which are expected Monday - Friday, approximately 7am - 4pm.
- DETOUR ROUTE "A" - Use Rt. 114 and St. Anselms Drive to avoid all sewer construction on Mast Road.
- DETOUR ROUTE "B" - Use Launer or Davignon and Cross Streets if traveling near Pinard Street and trying to get around a portion of the sewer construction.
- COLLEGE AVE / DANIEL PLUMMER - Use as needed to access sections of Mast Road.
- If you have any questions, please call the Goffstown Police Department at 497-4858. Thank you for your patience.
