

SELECTMEN ESTABLISH VILLAGE PLANNING COMMITTEE

The Goffstown Board of Selectmen established a “Village Planning Committee” to review the Master Plan and Corridor Study and to make recommendations to the Board of Selectmen on design elements for the Goffstown Village Area. Many roads in the village area are scheduled for repair and/or reclamation in the next several years. The plan is to coordinate the road work with the overall design of the village and coordinate the work around Goffstown’s 250th Anniversary Celebrations in 2011. The committee will review traffic flow, sidewalks, pedestrian crosswalks, intersections, streetscapes, and parking.

There are thirteen (13) committee members. Four representatives from the public include Michael Lawler, John Denoncourt, Cynthia Boisvert, and Catherine Przekaza. Representatives from town boards and committee include: Select Board representative Vivian Blondeau; School Board representative Keith Allard or Stacy Buckley; Planning Board representative Lowell Von Ruden or James Raymond; Economic Development Council representative Dan Reidy; Goffstown Main Street Program representative Robbie Grady. Staff members include Planning and Economic Development Coordinator Stephen Griffin, Public Works Director Carl Quiram, Police Chief Patrick Sullivan, and Fire Chief Richard O’Brien.

Meetings will be held during early morning hours to accommodate members’ work schedules and will be held in the Mildred Stark Meeting Room on the lower level of Town Hall. The tentative meeting schedule is 7:30 AM – 8:30 AM on the following Mondays – July 21st and 28th, August 4th and 18th, September 8th, 15th and 22nd. A Final Report will be presented to the Board of Selectmen at their September 29th meeting.
