RE: Cyclical Re-Measure and List
DATE: 9/14/2009

GOFFSTOWN – The Assessing Department will continue to be in the Pinardville area. They have finished tax maps #14 and #15 and #16 and are working on the northern side of Mast Road, tax maps #17, #18 and #19. Work has also started on the northern side of the river on Riverview Park Road and Sarette Road. Both appraisers, Shawn Main and Dan Ward, will carry a picture identification card and have a letter of introduction from the Town Assessor, Scott Bartlett. The assessor, Scott Bartlett, will be in the field over the next few weeks. It is expected that he will be on Riverview Park Road, Arrowhead Road, and Trestle Lane. In the event an adult is not at home, the exterior of the property will be inspected and measured, a photograph of the property will be taken from the street, and a door hanger will be left asking the property owner to call and set up a time for an interior inspection. The property owner's anticipated cooperation is greatly appreciated.
