RE: Cyclical Re-Measure and List
DATE: 5/9/2008

GOFFSTOWN Now that the weather is cooperating, the Assessing Department is actively inspecting residential properties for the continuing, cyclical re-measure and list of all properties in Town. Richard Brideau and Ellen Brideau are the appraisers in the field, typically on weekdays, Tuesday and Thursday from 6 pm to 8 pm and Saturdays from 10 am to 5 pm. Both are expected to be in the field from 9:00 am to 5:00 pm the week of May 19th to May 23rd. Both carry a picture identification card and have a letter of introduction from the Town Assessor, Scott Bartlett. The door-to-door inspections will continue in the village district on tax maps 32, 33, and 34. In the event an adult is not at home, the outside inspection will be conducted and a photograph of the property will be taken from the street. A door hanger will be left asking the property owner to call and set up a time for the interior inspection. The property owner's anticipated cooperation is greatly appreciated. The properties to be visited are residential properties on the following streets:
